

ANDERSON FARMS

THE ASHBURY

3 bedrooms, 2.5 baths | 2,554 heated base square feet

About Anderson Farms

Sustainable living communities like Anderson Farms are hallmarked by a strong sense of community united through environmental sustainability. Here, neighbors are connected by their passion for self-sustained lifestyles, and often share in gardening, farming, community events, and more. Anderson Farms has committed itself to providing these opportunities for property owners through sustainable development with access to resort-style amenities and equestrian conveniences, from the comfort of a luxurious home crafted by *Southern Living* Custom Builder member Anderson Farms Homes.
